Prof. Weatherford

Finding Resources in Chesnutt Library: Books, Periodicals and Web Sites

Mrs. Whitfield  672-1750 2010
Class Objectives

• Learn how to navigate Chesnutt Library’s Web Pages.

• Learn how to access and search FSU’s Online Catalog to identify children’s and young adults’ books and non-print materials.

• Learn how to identify literature and education databases and find journal articles online.

• Learn how to locate books, journals and non-print materials in Chesnutt Library.
Chesnutt Library Has Over 300,000 Book Titles, Over 2,600 Current Periodical Titles in the Library, Over 410 Electronic Journal Titles, Access to over 11,700 Full-Text Electronic Journal Titles through NC Live, and Over 300 Full-Text Article, Biographical, Statistical and Informational Databases.
Reference Department
1st Floor of Chesnutt Library

- Staffed by professional librarians (M.L.S.)
- Assistance with using reference materials, the online catalog, electronic databases, and basic Internet searching to find books, journal articles and relevant Web sites.
- Over forty (40) computers with Microsoft Office 2007 and Internet capabilities.

Fall 2010 Hours
Hours are Extended During Midterm and Final Exam Periods
Monday through Thursday 8:00 a.m. until 10:00 p.m.
   Friday 8:00 a.m. until 6:00 p.m.
   Saturday 8:00 a.m. until 5:00 p.m.
   Sunday 2:00 p.m. until 11:00 p.m.
Your Library PIN Number Allows You to Access Article and Information Databases Off-Campus and Access Electronic Course Reserves.

Once You Have Created Your PIN: You Can Renew Books Online; Request Loans of Books and Articles Through ILLIAD; and Place Hold Requests on Books From UNC-P and UNC-W.
If this is your first time, create a Library PIN number using at least four letters or numbers. After you submit, the next screen will prompt you to enter the PIN twice more. When Correct, Your Name, Address and Phone Number Will Show.

Use your University ID Number (Banner# or 83#).

If you receive an "Invalid PIN" message, you may already have a PIN number on your record. Use the "Forgot Your PIN?" link or contact the Circulation Department to delete it or reset it so you can create another one.
You Can Obtain Books, Articles and Dissertations from Other Schools. Go to Interlibrary Loan and Register for ILLIAD

Requests are processed daily, Monday through Friday. Most requested items are received within one week (5-7 days) of the date of your request (some items may take longer (2-3 weeks) if they cannot be obtained locally).
Additional Help is Found Under Research Tools, Subject Guides

Charles W. Chesnutt Library

Supporting You

As an integral part of the university, Chesnutt Library’s mission is to support your educational, research and cultural endeavors through careful selection, acquisition, organization, and interpretation of information resources.

The Easy Search draws from many library resources at the same time. For a more thorough search, choose Advanced Research Tools.

The Chesnutt Library

The library offers an array of traditional and innovative services in delivering the resources to you. Many of the resources are available 24 hours day from campus and off-campus sites. >> Read More

Search Tips

Adjacency: Multiple words are searched together as one phrase.
Example: world health organization

Wildcards: Words may be right-hand truncated using an asterisk. "*" for 1-5 characters, "**" for open-ended truncation, '"' to replace a single character anywhere within a word.
Examples: environment" polic", inter**, wom?

Boolean Operators: Use "and" or "or" to specify multiple words in any field, any order. Use "and not" to exclude words.
Examples: health and fitness

From Inside the eBook

1— Special Collections of Children's Materials: An Overview DianeJude L. McDowell As defined in the ALA Glossary of Library Terms, a special collection is "a collection of materials of a certain form, on a certain subject, of a certain period, or gathered together for some particular reason, in a library that is more or less general in character." In the words of Carolyn Wicker Field, former head of children's services at The Free Library of Philadelphia, a special collection "is an indepth collection of materials organized around a specific subject, author, illustrator, theme, or format that is made available to scholars and researchers."2 The scope of a special collection can also be limited by time period, local interest, publisher, or language. 1 (spring 1994): 40-1. Chodorow, Stanley A., and Lynda Corey Classen. "From Dime Novels to Disney." School Library Journal 41, no. 4 (summer 1993): 400-8. Ingalls, Zoe. 3d ed. Chicago: American Library Assoc., 1995.
was founded in 1949, and the de Grummond Collection at the University of Southern Mississippi was not established until 1966. The Children’s Special Collections at The Free Library of Philadelphia was begun in 1955, while the pre-1837 children’s books in the Rare Book Department date from the receipt in 1947 of the Rosenbach Collection (not to be confused with the Rosenbach Museum and Library). Although the Library of Congress is not officially designated as America’s national library, most people assume it is. Its Children’s Literature Center was not established until 1963. Although the third edition of Special Collections in Children’s Literature lists more than 300 institutions in the United States that have special collections devoted specifically to children’s materials, many first editions, original works, and other important materials are already lost.

**Uses of the Collections**

Writers of books, dissertations, theses, and articles often make use of the primary source material found in children’s special collections. This research often leads to the publication, even informally, of information on unexplored aspects of children’s literature. While attending the 1995 midwinter meeting of the American Library Association in Philadelphia, a professor examined the original Evaline Ness illustrations owned by The Free Library’s Children’s Special Collections for possible use in a new book. More recently, a researcher has been using variants of L. Frank Baum’s *The Wonderful Wizard of Oz* in preparation for a paper he will be presenting during the centenary anniversary of the publication of this classic children’s book.

Many children’s special collections possess original manuscripts, editorial notes, correspondence, galley, and other materials. By studying the accumulated material on one work, a student could determine how subtle nuances in the text were changed to make the finished work more precise. The importance of these changes can be seen dramatically in the collected documents of Lloyd Alexander in The Free Library’s Children’s Special Collections. Alexander would often work and rework the opening sentence or paragraph of his books. After an examination of these writing stages, readers might conclude that Alexander’s purpose was to create an
"This stellar book extends teachers' thinking well beyond 'book spaces' and into 'digital spaces' by offering theorized approaches to analyzing children’s literature across media, and careful descriptions of effective learning activities that are rich in detail and practical advice. This book (and its digital spaces) is an indispensable guide to engaging with children's literature and new digital media." Michele Knobel, Montclair State University, USA."This is a timely and valuable book for teachers at the primary level, actively involved as they now are with teaching literature (...read more)
CHILDREN’S LITERATURE AND COMPUTER BASED TEACHING

“This stellar book extends teachers’ thinking well beyond ‘book spaces’ and into ‘digital spaces’ by offering theorized approaches to analyzing children’s literature across media, and careful descriptions of effective learning activities that are rich in detail and practical advice. This book (and its digital spaces) is an indispensable guide to engaging with children’s literature and new digital media.”
Michele Knobel, Montclair State University, USA.

“The book overall is exciting, informative and practical, outlining important theoretical perspectives and ideas while also providing much wisdom and advice to teachers about how to transform their literary programs.”
Frances Christie, Emeritus Professor of Language and Literacy Education, University of Melbourne and Honorary Professor of Education, University of Sydney, Australia.

This book connects classroom teaching of children’s literature with the digital age. It celebrates the charm of children’s literature and its role in literacy development, as well as the appeal of information and communications technology (ICT) to students and its capacity to enrich students’ learning and enjoyment of literary texts.

The authors outline the ways in which children’s literature is developing
Introduction

Children’s literature continues to develop as a popular and enriching cultural and educational experience, and as a valued resource for literacy teaching in schools. More and more computer-based activities related to children’s literature are now becoming available, but the evidence is that the majority of teachers, even younger, recent graduates, are in need of guidance in seeking to make effective use of the computer facilities that are now widely accessible in their schools and classrooms. At the same time, more and more children routinely use computers outside of school to access their interests. The burgeoning of children’s literature sites on the internet reflects not only the popularity of children’s books but also the integral part played by the internet in children’s experience of such books. The popularity of the computer connection with children’s literature is also reflected in the recent production of new...

Subject Search Results

ABELL
Choose the forth option (Annual Bibliography of English Language and Literature) to search a large database of literature and related material with a sophisticated and easy to use search engine.

Academic Search Premier

Access World News
Find current and archived articles on issues, events, people, government and more with the world's largest collection of full-text newspapers. Includes local news, editorials, and sections from over 1,800 sources including the New York Times 1995-pstaent. Featuring Acceda Noticias-Spanish language newspapers; Access Business News; U.S. Newswires & Transcripts; Military, Government & Defense.

African American Poetry
Nearly 3,000 poems written by African-American poets in the late eighteenth and nineteenth centuries. Indexed from 1750 to 1900.

AHSearch

Alexander Street Literature
Latino Literature
Latino Literature contains approximately 380 plays and 67,500 pages of prose and poetry by Chicano, Cuban, Puerto Rican, Dominican and other Latin writers working in the United States.

Lexis-Nexis Academic Universe
Provides access to a wide range of news, business, legal and reference information.

Literary Reference Center
LRC is a comprehensive database that combines information from over 1,000 books and monographs, major literary encyclopedias and reference works, hundreds of literary journals, and unique sources not available anywhere else. LRC contains detailed information on the most studied authors and their works and is an essential resource for public, academic and high school libraries.

Literature in Context
Curriculum-based Literature in Context series is a rich collection of primary source material, collateral readings, and commentary that helps students understand the historical, social, and cultural milieu associated with major literary works.

Literature Online (LION)
A fully searchable digital library of over 300,000 works of English and American literature.

Literature Resource Center
The Literature Resource Center contains full-text scholarly articles from more than 300 academic journals and literary magazines—the majority peer-reviewed—as well as excerpts from scholarly monographs, literary correspondence and diaries. Also included are reviews of books of all sorts, from children's literature to adult fiction, from popular non-fiction to scholarly studies. Substantive biographical essays on more than 130,000 authors, providing insights into life and times, works, and critical reception are also part of the database. There are full text of thousands of poems and short stories published in contemporary journals and magazines and overview essays on thousands of books and literary topics are featured. Links to editorially selected websites on authors and their works, as well as pictures of well-known authors round out the content.

Master File Premier
Provides full text for over 1,770 general reference, business, consumer health, general science, and multi-cultural periodicals.

Mental Measurements Yearbook
Click the icons below to launch a pop-up window containing information on the contents of individual collections. Further information about the Chadwyck-Healey Literature Collections and resources for users are available in the INFORMATION CENTRE.

Abraham Lincoln Illinois High School Book Award
First granted in 2005, this award is sponsored by the Illinois School Library Media Association. Nominations for the award are encouraged from school and public librarians, teachers, and students. Illinois students then vote for the final winner, which is announced each year in March.

Adelaide Festival Awards (Australia): Children's Literature
Established in 1986, these literary awards honor outstanding works in fiction, nonfiction, innovation, and children's literature published in Australia in the previous two years. The Premier's Award is granted to the most outstanding entry.

How to Find Journal Titles

• Check to see if the journal title is owned by the Library: Search FSU’s Online Catalog by the Journal Title or search for the Title in the Journal Finder

• Go to the Periodicals Department
  - 1st Floor for Current Periodicals with titles A-Z
  - 1st Floor for Bound Journals with titles A-B
  - 2nd Floor for Bound Journals with titles C-Z
  - 1st Floor for Newspapers

• Make a note of the format and location
  - Microfiche 1st Floor (File Cabinets Behind the Elevator)
  - Microfilm 1st Floor (Shelves Near the Newspapers)

• Printed Indexes are also located on the 1st Floor.
Copiers are Available on the 1\textsuperscript{st} Floor and in the Curriculum Lab on the 2\textsuperscript{nd} Floor

- Copies cost $0.08 per page
- Copies can be made from Microfiche and Microfilm onto paper
- No Change is available in the Library. Bring bills.
- Money can be added onto your Bronco ID Card or a Bronco Express Copy Cards can be purchased. The VTS (Value Transfer Station) is located in the Library’s Student Lounge. Bronco Express Copy Cards cost $1.00 (Card costs $0.50 and leaves $0.50 for copies). The Card can be reused. The One Card Office is responsible for the Copy Card system.
- Transparencies can only be made in the Curriculum Lab on the Second Floor.
